## Multimedia Storage and Versatility in a Small Format

Lexar offers a comprehensive line of award-winning memory cards in various speeds, formats, and capacities, which include innovative features and valuable free software. With so many options, it's easy to find the perfect Lexar memory card to fit your needs and lifestyle.

Lexar Platinum II Memory Stick PRO Duo™ captures images, video, and multimedia files in user-friendly memory stick format. It works with a vast range of applications, including Sony® MP3 audio recorders, video cameras, and computers with a Memory Stick PRO slot. Lexar Platinum II Memory Stick PRO Duo is available in 256MB, 512MB, and 1GB capacities.

## Unleash Your Creativity

**Maximize Your Multimedia Experience.** Available in capacities up to 1GB, the Lexar Platinum II Memory Stick PRO Duo delivers high-capacity performance and is specifically suited for all your Sony multimedia devices. This means you can take more photos, store more music, and capture more video, in addition to storing your other important data files.

**Create Amazing Photo Projects.** If an abundance of storage wasn't enough, the Lexar Platinum II Memory Stick PRO Duo also includes free Corel® Photo Album™ 6 Standard software to help you organize, enhance, and share your photos quickly and easily. This smart and simple software also comes with templates so you can create stunning collages, calendars, greeting cards, and more. Combined with the robust capabilities of your Lexar Platinum II Memory Stick PRO Duo, you'll be sure to capture all of your important memories and preserve them in fun and creative ways.

**One Card Does it All.** The Lexar Platinum II Memory Stick PRO Duo offers the ultimate in versatility. It's the perfect place to save and store your vacation photos, favorite songs, video clips, and other multimedia files. And it gives you the power to process and share those photos in fun and creative ways. The Lexar Platinum II Memory Stick PRO Duo also includes MagicGate technology for secure transfer and playback of commercial content. Complete with innovative features and valuable free software, the versatile Lexar Platinum II Memory Stick PRO Duo is the perfect all-in-one solution to your multimedia storage needs.
